**Covering the best in Variety Dance
from the classics through today,
The Excelerators pack dance floors.**

Based in St. Louis, the band developed a great local following through constant marketing efforts. A **full promotional service**, The *Exc*elerators provide over 7 forms of advertising for their clients.

Complete with horns, the sound is full, tight and varied. There 2 versions of the band include **4-lead vocalists** each (providing exemplary harmonies) including guitar, bass, drums, trombone, sax, flute, percussion.

A **profitable** band for clubs, an entertaining group for parties, The *Exc*elerators will get you off your feet and movin' on the dance floor.

An **experienced** group who have appeared throughout the St. Louis Area from the Alton Belle Casino, to Generation's in South County, to a promotional commercial for KTVI-Fox 2.

The *Exc*elerators are **versatile** and can play small venues to auditorium-sized events. Using the best production sound and lighting gear available, they courteously monitor client needs for PA volume and always try to honor song requests.

From tight music segues that eliminate "dead air" during the performance, to the myriad of advertising for the client, to reliability, to the best in Danceable Classic Rock, The *Exc*elerators are providing the St. Louis area with the **best value available** for your live entertainment dollar.
